PERSONAL INFORMATION

To assist in making ownership determinations, the Registrar must assess the fitness and propriety of each applicant. This assessment requires the collection of sensitive information. In order to protect each individual's privacy certain necessary information has not been requested on the application form, however, all applicants must read the following questions.

1. In the past 10 years, have you been convicted of, or is there a pending charge against you, for any offence involving:
 - (a) Violence against a person; or
 - (b) Dishonest or criminal activity
2. Have you ever been convicted under the Australian Rules of Racing or rules of any racing authority?

If any applicant should answer "yes" to any of these questions, the applicant must notify the Registrar in writing prior to the lodgment of the application. Such notification must include full details of the conduct in question. The Registrar will advise in writing within seven days of having received such notification. That advice should be retained by the applicant as evidence that the appropriate notification has been made. You are advised that should it be established that an individual has neglected or failed to truthfully respond to questions 1(a), 1(b), or 2, this application and any other application concerning the individual may be refused or cancelled at any time. If the notification has previously been advised to the Registrar, there is no need to do so again.

The Committee of any Club or the Stewards may punish any person who makes any false or misleading statement or declaration in respect of any matter in connection with the administration or control of racing under AR175(gg). Inaccuracies or omissions may also lead to penalties and refusal or cancellation of the Registration of this horse (AR17)
